Building Together

The Winona Community Foundation has set its sights on bringing our new vision to life through our new mission.

After several months of collecting community input, strategic planning sessions, and engaging in transformational thinking, Andrew Guzzo, chair of the Winona Community Foundation, shared our new mission and vision at the 2021 Founders Event. We are excited to put this new mission into action.

At its heart, the Foundation exists to serve as a permanent source of charitable dollars for the benefit of all who live, work, and play in the wonderful place we call home. We do this through a variety of funds, especially endowments. The Foundation has the expertise and multitude of resources to help people and businesses maximize their charitable contributions.

When you consider our new mission, the Foundation is embracing its role as a catalyst by showing people how easy it can be to be purposeful in their giving. This generosity allows Winona and the surrounding area - the place we all call home - to thrive, succeed, and expand through opportunities.

Thank you for another year of your support.

Our mission is to be a catalyst for igniting generosity and building the vibrant and enduring place we call home.

Educating the public about the practice of philanthropy and its benefit to both donors and the community.

Connecting people and resources to causes with charitable intent to advance the public good.

Collaborating with other charitable organizations.

Stewarding, gathering and preserving philanthropic resources.

Making grants to projects and causes that address both the needs and the opportunities present in the community.

WELCOME

Dear Friends,

As we present this annual report to you, we do so acknowledging that 2021, while a better year for most, was still a challenge for many.

Through your generosity, and that of our many fundholders and donors, along with strong market growth, the Winona Community Foundation invested more than \$1.9 million back into the amazing place we call home.

We thank and appreciate you.

Last year, we shared that through the COVID-19 Relief Fund, close to \$110,000 was awarded to individuals and families who were under financial stress due to pandemic lockdowns and layoffs. In 2021, another \$66,500 was awarded. Our promise to the community when we established the COVID-19 Relief Fund, was the Foundation would not take any money from the dollars contributed. With fewer than \$19,000 remaining, our nonprofit partners are still seeing folks with need. We anticipate the fund will close within a couple months, with every penny dedicated to pandemic relief. This community should be proud of how you responded to your neighbors in need.

In addition to the COVID-19 Relief Fund, the Foundation's Community Grant

program extended its focus in 2021 to providing financial relief to local non-profits still recovering from the same shutdowns. By the Foundation's second cycle, we were able to return to funding new opportunities as well as on-going challenges, and that is a good place to be.

The Winona Community Foundation board of directors and staff engaged in a strategic planning process and mission "reset" that has us on course to grow our assets to \$25 million by 2025. Although our measure is assets - the real goal is to increase the dollars that are invested back into the community. This builds on our new mission to be a catalyst for igniting generosity and building the vibrant and enduring place we call home.

To all our donors, nonprofit partners, advisors, and others who have entrusted us with their generosity, and on behalf of the board of directors and staff, we thank you and appreciate you. We look forward to our continued work together as we look toward a bright tomorrow.

Our Donors Build Our Community

What do you want your philanthropy to look like? Do you want to be spontaneous with your giving, or do you tend to think long-term? Do you have a passion for one area of need, or are your interests many and varied? Regardless of your personal direction, the Foundation is here to connect you with the causes you love through wise-giving vehicles.

Community engagement allows each and everyone the ability to be involved in the greater good. Although our donors may not always be personally affected by these issues, they recognize their role in a world of collaboration and care. You have the power to make your community a better place.

COMMUNITY GRANT AWARDS

COMMUNITY GRANT AWARDS

Winona Farmers Market **\$8,630**

To support on-going operations and extra costs associated with upgraded technology to accept SNAP/EBT for payment. The Farmers Market fosters a healthy community and access to local food producers.

Ready Set School **\$5,000**

To send low-income, K-12 Winona County children to school with the school supplies they need for success.

Winona Area Chamber of Commerce REACH Program **\$7,500**

To support their REACH program which prepares high school students with careers and employment, bridging the gap between school curriculum and workforce needs.

Elder Network **\$7,000**

To support an emerging need due to COVID-19 to pivot their services for the elderly who are suffering isolation and loneliness. Monies will be used to provide telehealth access, education and mental health programs for this population.

Home & Community Options **\$10,000**

To cover unfunded needs caused by the pandemic including PPE/infection control supplies and necessary technology equipment to safely conduct services.

Let's Erase the Stigma **\$3,000**

To support and expand the organization's budgeting and expungement classes including expungement fee assistance on a sliding scale.

Family & Children's Center **\$10,000**

To support Matty's Place, a program for children and vulnerable adults who are victims of abuse and maltreatment. This program, provided free to clients, lost state or federal grants as a result of COVID-19 changes.

Catholic Charities **\$10,000**

To fund their MediAppS program which provides individuals with emergency assistance for prescription medications. The funding supported the administration of the program because they lost a critical funding source. Prescriptions are paid for by the Emergency Assistance Fund at the Foundation.

Winona Volunteer Services **\$7,500**

To improve the food shelf experience for clients by using shelving units instead of boxes, reducing waste and shopping time and hopefully encouraging more people to use the food shelf.

Hiawatha Valley Mental Health Center **\$10,000**

To support lodging services for individuals with severe mental illness, HVMHC is the only organization in Southeastern Minnesota that provides board and lodge for adults with serious and persistent mental illness.

Frozen River Film Festival **\$10,000**

To fund a hybrid (virtual and in-person) 2022 festival, as well as mission-critical support due to major cuts in regional and statewide arts-related funding.

Minnesota Marine Art Museum **\$8,630**

To support "Seasonal Saturdays," a quarterly program providing \$1 admission, arts materials, activities, demonstrations and transportation.

Winona State Bridges Health **\$3,000**

To support wellness outreach to 150 Winona area families by WSU nursing and allied health students (100 families during 2020 pilot year). This included a monthly wellness magazine and in-person delivery of activity kits.

Semcac **\$10,000**

To support the establishment of a weekly frozen delivered meals-on-wheels program to 40-50 Winona County rural seniors who were not able to be previously served.

Gamehaven Council #299 (Boy Scouts) **\$3,000**

To cover the activity fees for fifty deserving Winona-area youth to participate during the 2021-2022 school year.

Engage Winona **\$10,000**

To fund a project called Lived Experience Leader training. This is a second cohort initiative for up to 15 pairs of community leader mentors and community mentees. The program is designed to teach and build community engagement skills and leadership techniques, break-down barriers, and encourage community-driven initiatives.

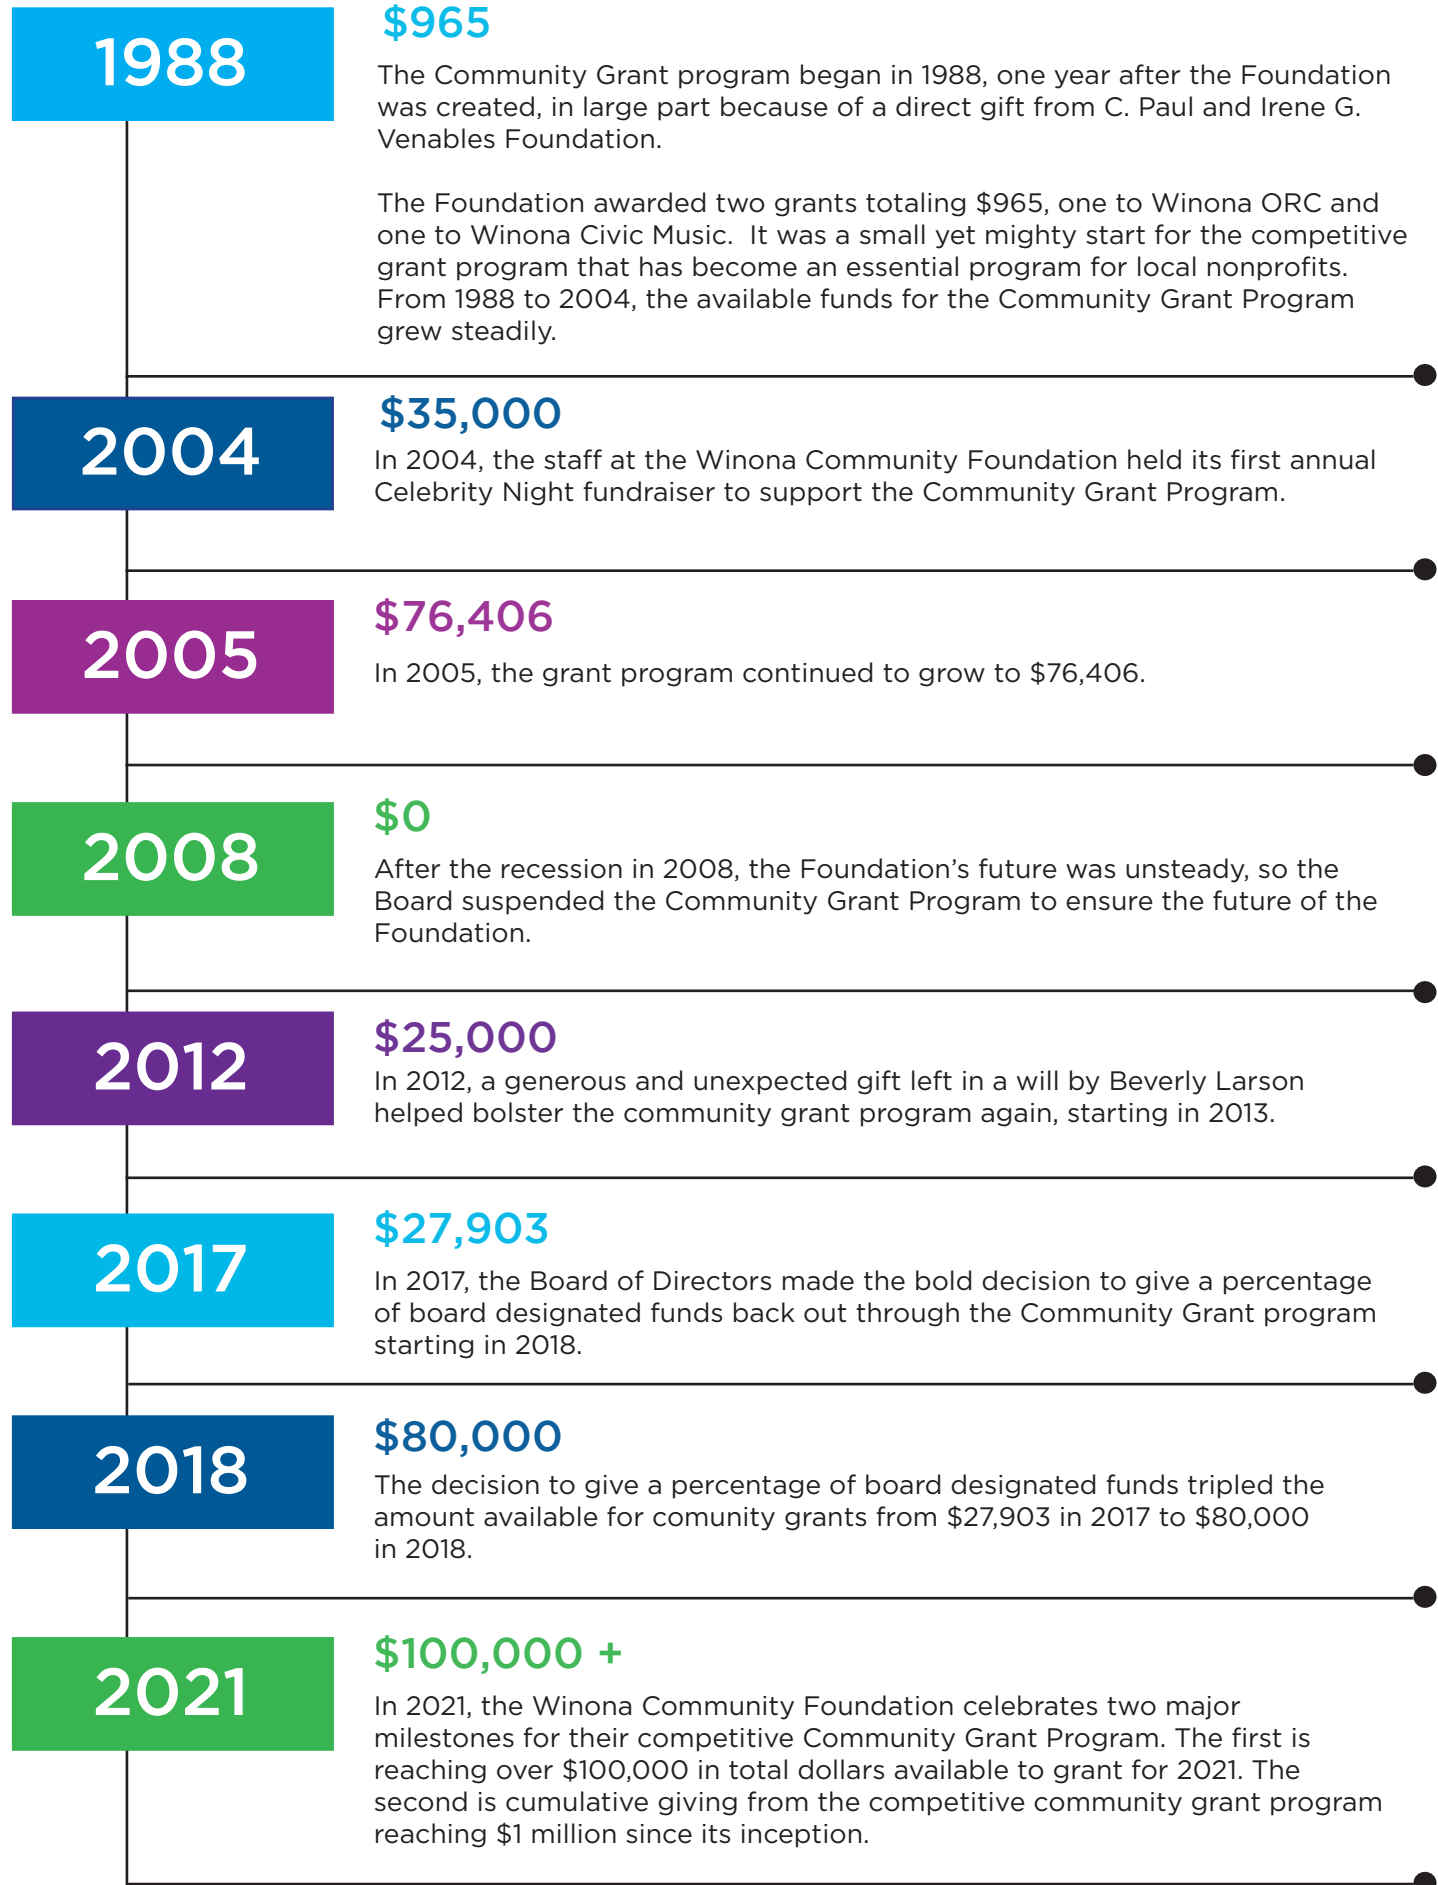

What are Community Grant Awards?

An important part of the Winona Community Foundation's mission is realized through awarding community grants to meet the ever-changing needs of the community through a competitive process. By doing so, a variety of interests are supported with the goal of helping local charities make a difference in the Winona area. Our community grants for nonprofits are broad and inclusive to meet the current community needs in the Winona area.

Funds to support the Community Grant program are made possible in part through gifts made through wills from: Ramona L. Jezewski English and Wilmer & Beverly Larson. Community grants are also supported by individual donors and a percentage of Board designated funds including: the Thomas H. Laken Fund, the Sue & Jack Cornwell Fund, and the General Trust fund of the Winona Community Foundation.

COMMUNITY GRANT MILESTONES

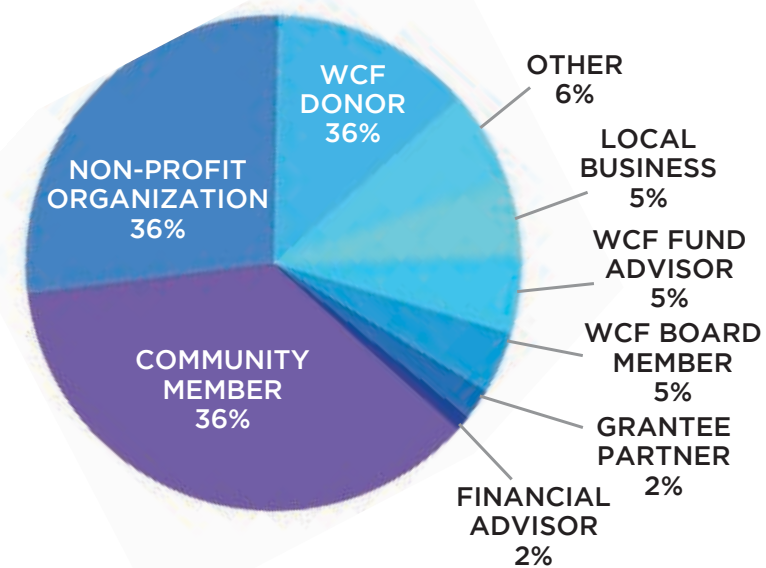

COMMUNITY ASSESSMENT

In February 2021, a community survey was co-developed by TPI and Foundation staff to invite community feedback on Foundation strategy, leadership, visibility, operations, and community perceptions of the Foundation and its work. This assessment was conducted through online and print outreach to encourage community survey participation. Goals of the assessment were to:

- GOAL 1.** Highlight community perceptions of the Winona Community Foundation, our leadership and our work.
- GOAL 2.** Identify perceived strengths, opportunities, and potential areas for Foundation improvement.
- GOAL 3.** Raise up community views as input that will enable the Foundation Board and staff to identify priorities & help inform strategic planning.

RESPONDENT TYPE:

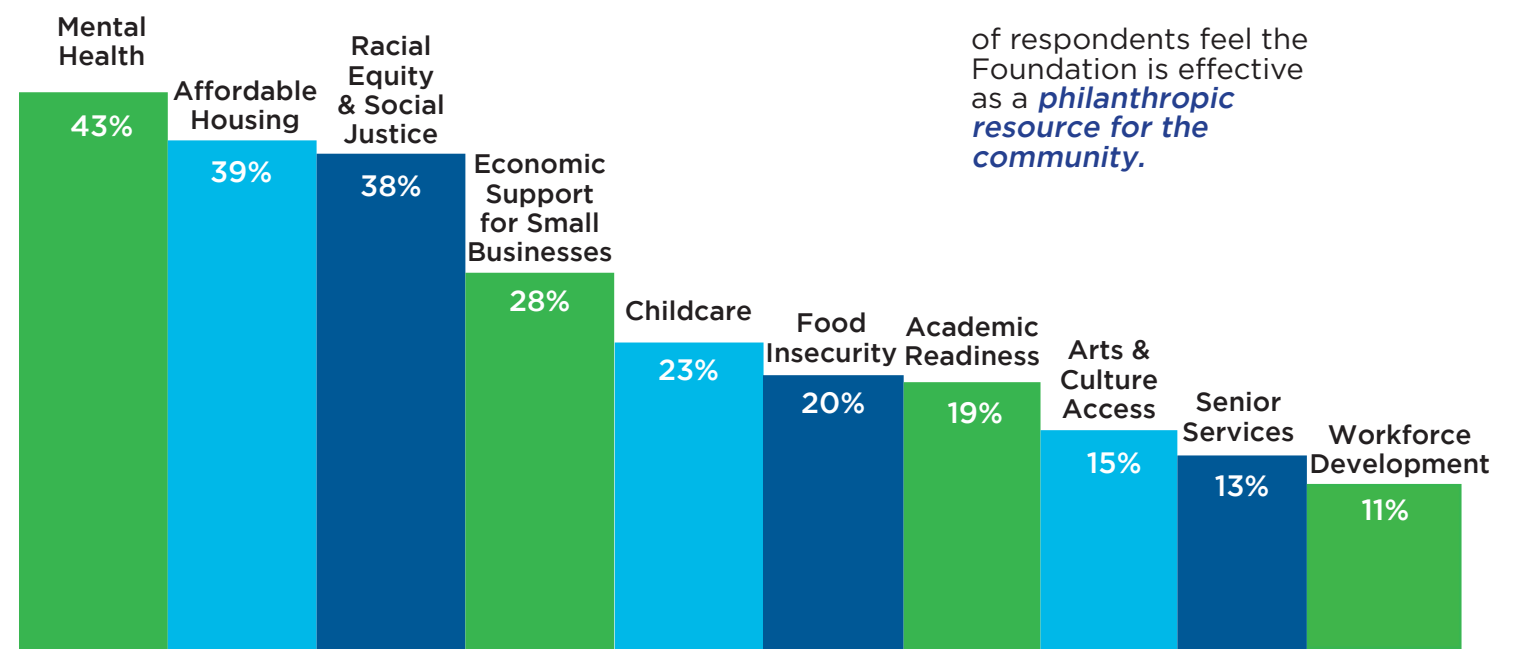

82%

of respondents who identified as WCF grantees indicated feeling very positive that the Foundation is a *responsive grantmaker and grantee partner*.

86%

of respondents see the Foundation as a *leader in the community*.

MOST PRESSING ISSUES FACING THE COMMUNITY:

73%

of respondents feel the Foundation is effective as a *philanthropic resource for the community*.

CHARITY GOLF EVENT

The Golf Event raised \$27,500 from 33 sponsors which went directly into the Community Grant Fund for Cycle 2.

The Winona Community Foundation hosted our 1st Annual Charity Golf outing on June 25, 2021 at the Bridges Golf Course. The purpose of the event was to help local charities make a difference in the Winona area.

By participating in this event, sponsors and volunteers were directly supporting the competitive Community Grant program that benefits local nonprofits. Each year, the Foundation receives grant requests that far outweigh the available dollars to grant out.

A special thank you to our major Augusta sponsor, the Helen Leaf Haun Fund, for their

kindness through their \$5,000 sponsorship. A big thank you to our Shinnecock sponsor, Bob Kierlin and Mary Burrichter, for their kindness through their \$3,000 sponsorship. A thank you to the driving force behind the event, Kevin O'Reilly, and the 2021 Winona Community Foundation Golf Committee including Sue O'Reilly, Bob Leaf, Tom Wynn, Mandi Olson, and Zoe Kwitek. A thank you to all of our other sponsors, participants, and volunteers. Each and every one of you was an agent in making this event possible.

FOUNDERS AWARD

On October 6, 2021, Phil Feiten was honored as the 2021 recipient of the Winona Community Foundation Founders Award.

This award is given to an individual in the community who has demonstrated an extraordinary commitment to improving life in the Winona area through the use of their time, talent and treasure.

"It's truly the people that make the community."

Individuals selected to receive the award have the opportunity to grant \$7,500 dollars from the Founders Endowment Fund to a charity of their choice. The Founders Endowment Fund was created in 2003 to honor all of the individuals who planted the seed for the start of the Winona Community Foundation in the 1980s.

What does Winona mean to Phil? He conveys, "I love everything about Winona. It's a good place to live and raise a family, and the people are supportive. Winona has been good to me."

The next annual Founders Event will take place on October 6, 2022. Nominations for the award are accepted from community members with the Winona Community Foundation selecting the recipients from these nominations.

*Fund opened in 2021

“With the Foundation, you know it’s going local - and meeting the needs in the community.”

Tom and Annmarie DeMarais were already making a difference in the greater Winona community through their charitable giving, but in 2019, they took an extra step to streamline their giving while maximizing the tax benefits. They established the Tom and Annmarie DeMarais Fund, a donor advised fund, with the Winona Community Foundation.

By starting a Donor Advised Fund, they maximized their ability to utilize a simple, flexible, and tax-effective way to give back to their favorite causes and organizations in their time-frame.

When you establish a Donor Advised Fund (DAF) at the Winona Community Foundation, you make an irrevocable gift to the Foundation and receive

an immediate tax deduction for the gift. In exchange, you retain the right to name the fund, recommend grants from the fund, and to name successor advisors.

“My initial perception of the Foundation was that a couple families gave to the Foundation, and that’s how it operates. Now I understand that it’s a community asset as more people have access to it.”

The DeMarais had browsed different Donor Advised Fund options, talked to charitable organizations that had received grants from the Winona Community Foundation, talked to others who have a Donor Advised Fund at the Foundation, and had sought out advice from their financial advisor.

“You’re supporting a Winona organization that’s supporting our community - you can keep your giving in Winona.”

After doing their research, they consistently found themselves looking at the Winona Community Foundation as the right partner for their philanthropy. They saw the double benefit of being able to direct grants to the causes they cared about while supporting their local community foundation as they would a local small business. Their financial advisor gave them the final bit of confidence they needed after confirming the added benefit to the community.

When they initially started their fund, the motive was based on tax incentives. Tom states, “especially with the new tax laws, making it hard to itemize, giving back may be more discouraging to those that would’ve given before... but the purpose of the donor advised fund is maximizing the giving”. In addition to accepting a variety of assets to establish a fund, the Foundation invests those contributions to grow your fund (tax-free).

In 2019 when the DeMarais established their fund, the Winona Community Foundation offered 20% matching dollars for newly established Donor Advised Funds up to \$5,000. Tom said, “The matching dollars program showed us that the Foundation was not trying to make money off this, but they are instead just providing a service to the community. If I would’ve been on the fence, that immediate 20% gain was phenomenal. It was a no-brainer.”

Since starting their Donor Advised Fund, they have recommended the Foundation to other new fund advisors. The easy, accessible, and rewarding features were talking points.

“It’s great to know you’re apart of the good that’s being done by the Foundation.”

“It’s a great vehicle to keep better track of your giving. In terms of reporting, we don’t have to track our donations - it’s all in one place. The personal community touch is so important. The staff is accessible, and the board is full of good-sounding people. When the Foundation sends out reports and releases stories, I can read the impact my contributions have had.”

The DeMarais’ philanthropic goals are to continue their support as long as possible.

Regardless of your donation amount, or personal direction, the Foundation ensures you can still be charitable and have the ability to support the causes you believe in.

“Our goal is to build the fund up larger. Our first goal was to use it for tax-purposes and ease of use, but now the goal is to build it up to be a direct part of the giving back happening in Winona.”

Tom and Annmarie DeMarais are catalysts for igniting generosity, and building the enduring place we call home.

If you’re interested in learning how you can achieve your charitable goals and maximize your tax incentives in a simple process, contact the Foundation today to learn more. We want to connect you with the causes you love through wise-giving vehicles.
